PROJECT NUMBER: 28257

APPLICATION: Part 1

Dear Mr. Burns:

The National Park Service has reviewed the Historic Preservation Certification Application -- Part 1 for the project cited above and has determined that 105-113 East Main Street, within the Phoenix Block property, constitutes a distinct building for purposes of the rehabilitation tax credit review. Because the Phoenix Block is an individually listed property, 105-113 East Main Street is a certified historic structure.

If you have any questions, please call the State Historic Preservation Office or me at 202-354-2030

Sincerely,

A handwritten signature in black ink, appearing to read "John Sandor".
